Moveable design

---

**Very stylish exclusive Qlima Design:** This dehumidifier is part of an exclusive range of Qlima design dehumidifiers. The glossy white colour together with the colourfull blue indication ring presents this model as a revelation in high end aesthetics for household dehumidifiers.

---

**Extremely quiet:** In HIGH fan mode: the sound produced by this dehumidifier is so low you will hardly hear it, when using it in a normal living room. This dehumidifier surely is one of the most silent dehumidifiers available in the current market.

---

**Swing function air outlet :** The air outlet is positioned on the upper part which is equipped with a movable flap (up / down). In this setup, the air spreads evenly and is particularly useful for drying laundry. The function 'Swing' can also be deactivated.

---

**Hygostat:** The humidity can be regulated via an adjustable hygostat.

---

**Hygrometer:** The unit is equipped with a hygrometer, which indicates the relative humidity in the room.

---

**Large size, removable water tank:** For ease of use, the dehumidifier has a extremely large watertank capacity. The frequency of having to empty the tank is significantly reduced, with this large sized water tank.

---

**Water container cover:** The water container is equipped with a cover, to prevent the splashing of water when the container is taken out or is transported to the drain.

---

**Easy to use:** The device adapts to the room conditions. It alternates between silent and full power mode to maintain a humidity level of around 50%. When the water tank is full, an acoustic signal sounds and then the device switches off.

---

**Automatic switch off:** When the water container is full, a LED light will light up. The dehumidifier will automatically switch off.

---

**Power cord storage:** The dehumidifier is provided with an easy to use power cord storage option.

---

**24 hour timer:** The unit is equipped with a timer function which can switch off the unit at any hour.

---

**Convenient mobility:** The unit is equipped with top handle at the top back of the unit. Futhermore, this dehumidifier is equipped with castors (wheels).

---

**Compressor:** The dehumidifier has a silent rotary compressor.

---

**Defrost function:** The unit is equipped with an intelligent defrost system, for use in lower temperatures.

---

**Full colour box:** The unit is delivered compleet with auxiliary parts within a full coloured box, displaying the applications and operation information in several languages.
